

Our purpose

Providing life-changing community services caring for people from all walks of life across the Central Coast

Our strategic goals

Impact

We will deliver high quality, accessible and affordable care that has a life-changing impact on people from all walks of life but particularly those living in adversity

Culture

We will offer a safe, diverse workplace where our people are valued, empowered and deeply proud of their organization

Growth

We will build and leverage our brand and financial strength to provide certainty and grow our footprint on the Central Coast

Priorities for next 5 years

1. Measure and assess social impact
2. Differentiate our services
3. Focus our resources on high-impact areas

1. Strengthen staff engagement and accountability
2. Develop our team's skills and resilience

1. Develop our brand
2. Broaden our funding sources
3. Make disciplined decisions to build scale in targeted areas

Our values
