

Peninsula Community Centre Kindy Gym Newsletter - Term 1, 2018

Hello to all our families and welcome to those who are new!

Welcome to the Coast Community Connections Kindy Gym program for 2018! We hope everyone has had a safe and happy break and a wonderful start to the year. This year we look forward to continuing our carer and child focus and mindfulness activities. I would also like to take this opportunity to thank parents and carers for your continued support; the updated program is most successful when everyone is active and involved. We can't wait to foster these interactions take place and see the kids having a ball!

Safety Reminders

We would greatly appreciate it if shoes and sock are not worn during Kindy Gym, as they are a slip hazard. Additionally all fine motor toys and our bikes should be kept in the allocated area and not taken onto mats and other equipment. In addition to this is a reminder for parents and carers to be mindful of the equipment and avoid trip hazards such as mats and objects on the floor. We take every precaution to ensure a safe environment for all present and welcome you to let us know if you have any concerns.

Another quick reminder about food and drink in the hall; water and healthy snacks are encouraged however, should be kept with your belongings and not on equipment. Similarly, coffee and other hot drinks require a lid and are to be kept in the seating areas and away from children and equipment. As always, safety is our greatest concern and your assistance is appreciated.
